DX-RX809 HD Video Player

Elegant HD Video Player with Home Networking

Now you'll never be short of content. As DevAV's top DH Video Player, the THX® certified DX-RX809 provides a wide range of playback functions to complement your high-quality home theater. As well as playing CDs, DVDs, and 3D-encoded BDs, the DX-RX809 handles videos, music, and photos sent from a DLNA 1.5-certified media server. Image quality is superb, whatever the source. And whether you're playing high-def DTS and Dolby formats or compressed MP3s, your audio benefits from a high-precision clock, separate blocks for video and audio circuitry, and a vibration-reducing top cover. It all adds up to a virtuoso playback solution for the dedicated fan of quality entertainment.

ADVANCED FEATURES

- THX® Certified
- Supports Blu-ray 3D Playback (When Connected to a 3D-Compatible TV)

DX-1200 Excel Remote with Bluetooth

Simplify your life

Control all of your electronics with newfound ease using the amazing DX-1200 remote. This beauty is strong enough to control the most comprehensive home theater, yet elegant enough in appearance to sit in your living room, kitchen or guest bedrooms. It allows you to fully automate your home – from one touch to dim the lights and start the movie, to magically turning on music in every room.

Customize it to your lifestyle!

The DX-1200 can be fully personalized to your liking. With a button press, you can set lighting to match your mood, watch your favorite recorded show, or any combination of events you can dream up. Your custom installation professional configures your system to suit your family's needs perfectly.

Specifications

- Hard buttons that support virtually every function (power, numeric keys, channel up and down, navigation buttons and more)
- Fast, one-way control for a multitude of A/V components
- Easy setup and installation — uses URC CCP software (no new program for the installer to learn)
- Ability to adjust brightness and conserve energy
- Communicates direct (IR) or through a base station (RF)
- Customizable graphics for both buttons and backgrounds
- 3 interchangeable buttons
- Variables and conditional logic capable
- IR range: 30-50 feet, depending upon environment
- RF range: 50-100 feet, depending upon environment
- RF frequency: 418 MHz Narrow Band
- Weight: 5.73 ounces with battery loaded
- Size: 8.46" (H) x 1.97" (W) x 1.02" (D)
- Battery: Includes rechargeable battery (Li-Ion) and charging base
- One year USA Limited Warranty
DX-H5000 SuperPlasma 50

50" DX CLASS LED SMART TV

The 50" DXClass LED™ Smart TV is shattering the mold in a way only DevAV can, with high-quality design and picture at the best value. Enjoy crystal-clear action and eye-popping images in 1080p Full HD resolution with 120Hz Refresh Rate with Smooth Motion. A slim frame design with ultra thin profile makes this a stunning entertainment centerpiece in any living space. This powerful smart remote features a built-in keyboard that puts the freedom to text friends, play games or search apps right in your hands. LED backlighting delivers a stunning, more vibrant picture in a stylishly slim frame. Its brilliance is enhanced on select models with intelligent Smart Dimming™ zones that adapt to surrounding brightness for a deeper contrast that's also more energy-efficient.
